

Fortune of Year 2024 for People Born in the Year of the Rabbit

Career Tip: Avoid Associating With Friends Or Connections That Could Potentially Lead To Trouble

Those born in the year of the rabbit can expect a tumultuous year punctuated by sudden, shocking occurrences. As such, you are advised to proceed with caution and remain vigilant. The Unlucky Star "Six Harms" is in your chart this year, indicating the potential for encountering deceitful individuals and conflicts that could impact your future career. Make an effort to distance yourself from insincere friends and those with hidden intentions to avoid being pulled down. It's often wiser to stand alone than to place trust in the wrong individuals, as this can lead to catastrophic outcomes. Additionally, the Unlucky Star "Illness Spell" is also present in your chart this year, suggesting a year marred by frequent health issues. As a result, while you should still devote time to your career, it is crucial to prioritize your health and refrain from overworking.

This year is not favorable for travel, but if you must, ensure to keep a close eye on your wallet and personal identification, and be wary of scams. Those born in the years of the Ox and the Pig could prove to be beneficial allies in your professional journey. Collaborating with them could yield remarkable results. The northeast direction is particularly prosperous for your career this

year, and the most fortunate career paths for you are those associated with "metal" and "wood".

Financial Tip: This Year May Not Be Fortunate For You In Terms Of Finances, So Exercise Caution When Making Investments

Those born under the sign of the rabbit may experience financial difficulties this year. Your primary source of income could be unstable, and there's a risk of encountering financial troubles unless you exercise caution. Remember, this year isn't favorable for making investments, launching businesses, or taking significant decisions. Your secondary income streams may also prove unstable, so it's best to avoid gambling, as it could lead to irreparable financial damage. The "Illness Spell" Unlucky Star is in your orbit this year, implying a likelihood of incurring medical expenses. Therefore, it's wise to prepare beforehand to avoid any unexpected impacts on your treatment.

Health Tip: Susceptible To Sickness. Be Careful Near Water

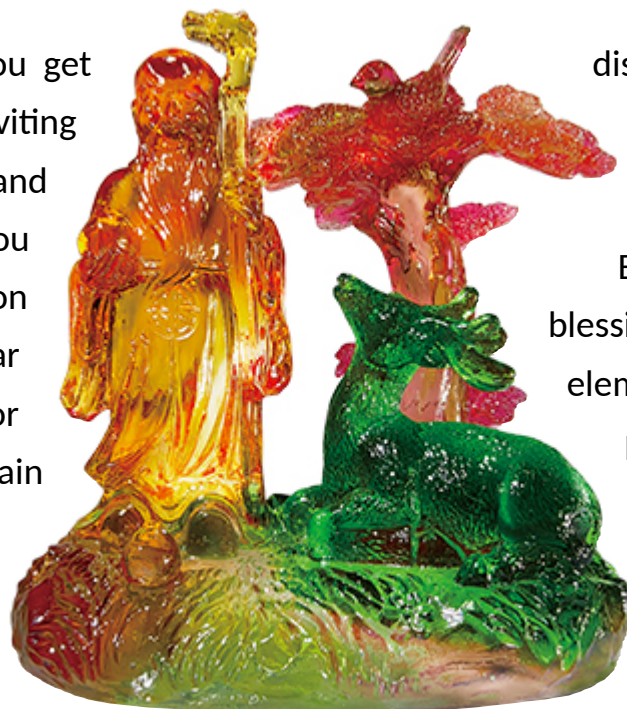

Individuals born in the year of the rabbit are under the influence of the Unlucky Star "Illness Spell" this year, suggesting that your health may be less than optimal. It's crucial to pay extra

Fortune of Year 2024 for People Born in the Year of the Rabbit

attention to your daily hygiene and ensure you get ample rest. Avoid overworking to prevent inviting illnesses. Prioritize the health of your heart and kidneys, and consult a doctor immediately if you detect any abnormalities. During the transition from summer to autumn, if you find yourself near a body of water for activities like fishing or swimming, always prioritize your safety and remain vigilant of your surroundings.

Relationship Tip: Relationships Can Often Fluctuate Between Passion And Indifference. Try To Steer Clear Of Arguments

Individuals born in the year of the rabbit may find themselves inadvertently entangled in conflicts this year. Therefore, it is advisable to consciously avoid disagreements and maintain a safe distance from potentially contentious situations in both your personal and professional life. Your romantic relationships might experience fluctuating dynamics, thus it's recommended to demonstrate your affection and concern more frequently to prevent emotional distance from your partner. In the event of a

dispute, refrain from making dramatic statements that you may later regret.

Lukcycharm: Four Blessings

Bliss, fortune, longevity, and joy are the four blessings universally desired. These four auspicious elements are symbolized in this piece by the bat perched on the tree, the stag lounging in the meadow, the jubilant birthday celebrant, and the magpie resting on the branch.

Individuals born in the year of the rabbit can expect a turbulent year ahead, requiring extra caution in areas of career and health. To

attract good luck, position the **Four Blessings** symbol in the southwest area of your residence or on your nightstand.
